LE FRANSCHHOEK  
HOTEL & SPA

*Sophisticated Charm*

Set in the culinary capital of the Cape, the town of Franschhoek lies below the towering Franschhoek Mountains. With picturesque vineyards a stone's throw away, the elegant, sophisticated charm of Le Franschhoek Hotel & Spa is the perfect setting to explore the Cape wine route. Sixty-three en-suite, large, elegant bedrooms and suites, capture the essence of charm and sophistication. Meeting facilities, three restaurants, including the Le Verger outdoor dining venue and the on site spa, make this hotel the most unique property in the winelands.
